### Official information request for public health employee salaries

I refer to your official information request that we received 21 May 2021 for the number (not percentage) of public health employees whose annual salary is under \$60,000, the number (not percentage) of public health employees whose annual salary is between 60,000 and 100,000 and the number (not percentage) of public health employees whose annual salary is more than \$100,000. The information below is in response to the partial transfer request we received from the Ministry of Health and applies only to the Health Quality and Safety Commission.

*The number (not percentage) of public health employees whose annual salary is under \$60,000 is 6.*

*The number (not percentage) of public health employees whose annual salary is between \$60,000 and \$100,000 is 26.*

*The number (not percentage) of public health employees whose annual salary is more than \$100,000 is 58.*

Please note that staff are recorded via head count rather than full time equivalent. You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Please note that the Commission publishes some of its OIA responses on its website, after the response is sent to the requester. The responses published are those that are considered to have a high level of public interest. We will not publish your name, address or contact details. If you wish to discuss this decision with us, please feel free to contact [REDACTED]
