

Team Tamariki

Paediatric Early Warning System (PEWS)

Things go better when we work together

Health team

We regularly check and score vital signs that tell us how your tamariki is doing

Whānau & family

You know your tamariki best so please tell us if you spot any change. To find out more about PEWS ask your nurse

Action needed

Changes in the PEWS score tells us what action we need to take or what extra support your tamariki needs
