Hand Hygiene Australia Training Site: Logging in to access the online learning modules

Site address: https://hha.southrock.com

Registering as a user

Before completing a learning module, you will need to create a Login ID and password. You will need to log in each time you access the learning modules.

You will be asked to select your country and organisation. Your organisation is your hospital and will be available from a pick list.

You will then need to enter some basic information, select the module you want to complete and create a password. Once registered you can register for any of the online HH modules that are available.

Once you have logged in

To access a learning module select 'learner'. Those with administrator access will have more than one role and can switch between learner and admin view.

Login	
Welcome to the Hand Hygiene Australia training site.	**Available Roles for** ▬▬▬▬▬
Please enter your User ID and Password to login.	**Enterprise Module** **Learner** **Organisation Admin** **Region Admin**
	Exit

You can view the available modules by selecting 'find a new module' or the Catalogue button.

Next, select the modules you want to view, for example, HH Auditor Modules

Find and select the module that you want to complete. Then select **Enrol**.
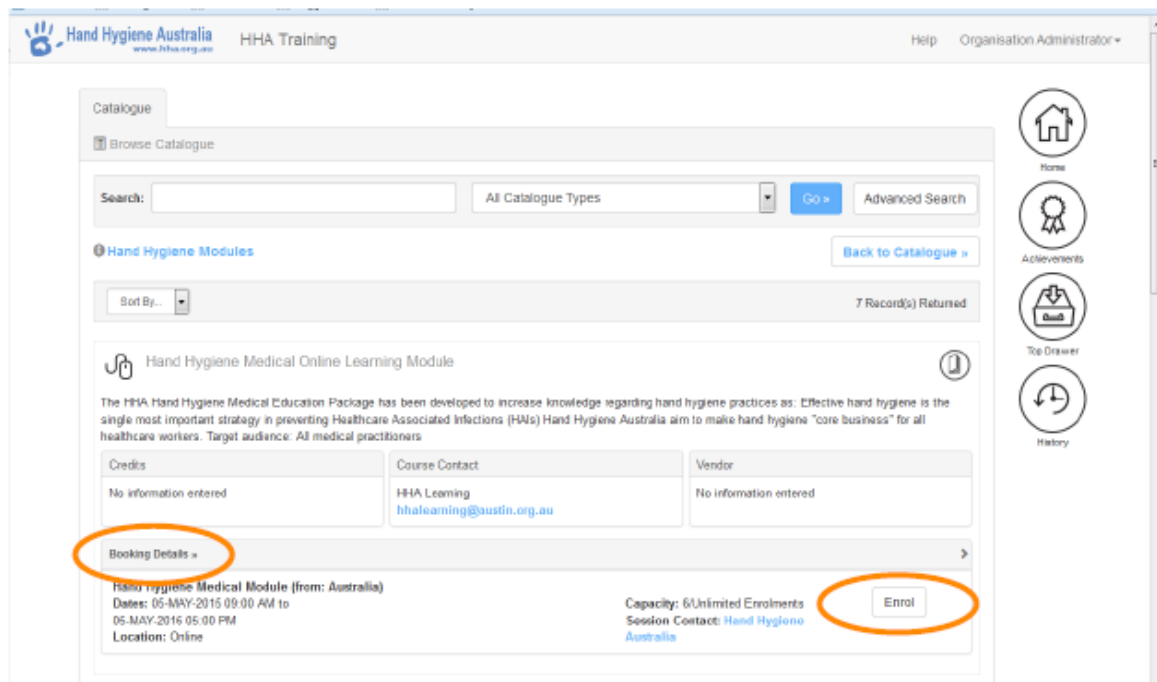

You can either select **Launch** to start the module immediately, or return to **Home** at any time and launch the module from there.
